**FIREBALLER OF THE MONTH** -- That's an Upland banker, Clint Thompson, demonstrating his effective technique for bringing new memberships into the Chamber of Commerce. Clint won honors in the Chamber this month for bringing a record \$225 into the coffers, making him salesman of the year.

Clint Thompson won honors as Fireballer of the Month at the last meeting of the Upland Chamber of Commerce Fireball - 12 Membership Club.

Clint, who has been with the Bank of America for 40 years and is assistant manager of the downtown Upland branch, garnered \$225 in new memberships during the past month, washing out last year's Salesman of the Year, Ted Lyman, who brought in \$212.50.

Warehouse Dewey Cable was a steady third with \$50. Also bringing in new members were Don Miotke, Roger Luby, and Fred Nelsen.

The club's total production for the past month was \$575 in new membership investments.

Club members are presently participating in a World Series contest, with Ted Lyman's St. Louis Cardinals vs. Don Miotke's Boston Red Sox.

New members recently brought into the Chamber by the Fireballers include Cortner's Trapshooting Range, Marion's Gift Shop, Myers Car Care Station, Arthur H. Old, DDS, Taco Jiffy, Upland Printing, and Western Auto Associate Store.

## Caborca sister city choice

The City of Upland has taken a significant step toward establishing a "Sister City", with Chairman, Zella H. Stone, announcing this week, that an official inquiry concerning the Mexican city of Caborca has been sent to the director of town affiliations, national league of cities, Washington, D.C.

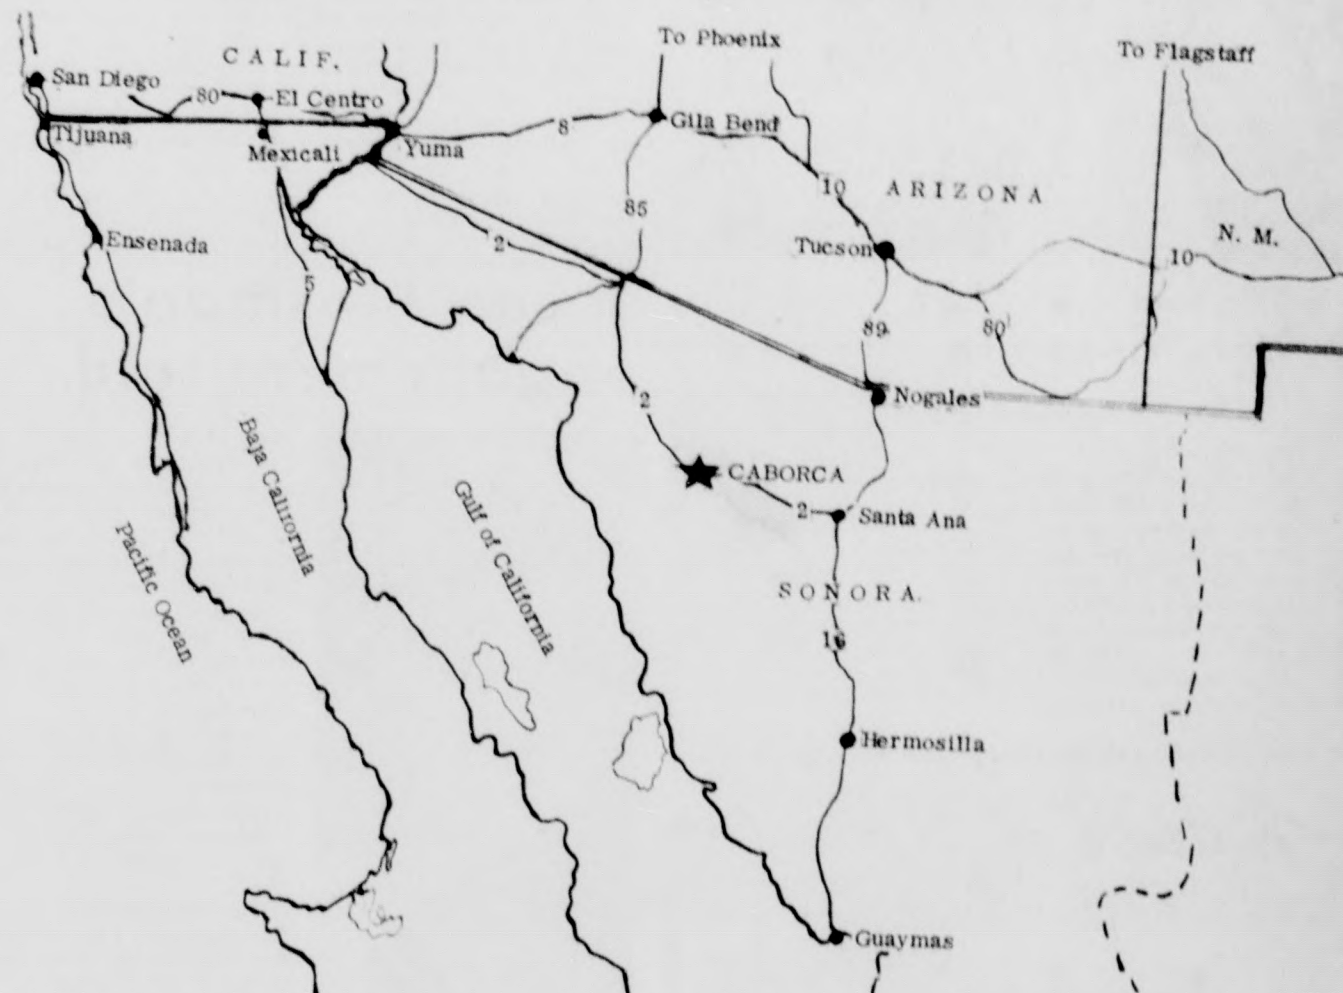

At a meeting, Thursday, members of the Upland town affiliation committee voted to pursue a plan to affiliate with Caborca, located in Sonora, Mexico, if the city is available for affiliation.

Mrs. Stone said that she and the committee members are hopeful of success in obtaining Caborca as a sister city for Upland, as the close proximity will make exchange travel and visiting simple for children as well as adults.

This decision resulted from the report made by committee member, E. Harvey Stone, who had been assigned the task of investigating the city of Caborca as a possible sister city.

Stone and William S. Rugg, president of the Upland Rotary Club, made a recent visit to Caborca and made color slides of the area which they presented to the committee. The committee, as a result of a letter received prior to their adjournment for the summer from Francisco Rojo Gastelum of radio station XEDM in Hermosillo, Sonora, had already been appraised of some of the interesting history and customs of Caborca, where according to Rojo the people like to dress well and in style, but the ladies have not resorted to the miniskirt.

Caborca was founded as a mission in 1688 by the

CABORCA, Sonora, Mex., is shown by star on this map. It takes about a day to drive there over fairly good roads, E. Harvey Stone of the town affiliation committee reports.

Map shows few details, was intended primarily to show Caborca's convenient location.

Jesuit missionary, Father Eusebio Francisco Kino, who established many of the early missions in northern Mexico and Arizona. On April 6, 1857, it was the site of an encounter between American

Buccaners and forces of the Colonial Militia and the national guard, in which the Mexican forces were victorious. As a result of this courageous stand by the local defenders, the city has

acquired the official name of "Heroica Caborca". The temple where the invaders were defeated is now a national monument.

As recently as 1964 a project to pave the city's streets was undertaken, and the visitor who travels to Caborca today will find that not only are most of the streets paved, but they are well illuminated with modern fluorescent lighting and lined

with trees, lawns, and large white trash containers.

The economy of the area is still based largely, as in Upland, on agriculture, which depends upon irrigation from the nearby river, La Asuncion. Commercial and industrial establishments are numerous and include a large cotton gin.

While it is recognized, as pointed out by one committee member, that we will

miss out on some of the rich culture and history of central and southern Mexico by affiliating with a city in the north, the majority of the members felt that Caborca offered the possibility of meaningful interchange, was not a border town spoiled by tourism, and yet is within a day's journey from Upland and is easily accessible for visits in both directions.

## Quimby to seek assembly seat

John P. Quimby Friday scotched rumors about his running for Congress by stating he'll be a candidate for re-election to the California Assembly from the 72nd District.

At his Rialto home he told newsmen he likes his job, even though that statement "may sound corny."

The colorful assemblyman said he was making his announcement early to clear the air.

Quimby will be making his fourth bid for state office next year. He was a San Bernardino councilman and radio-television newsman before gaining an Assembly seat in 1962.

He was re-elected in 1964 and in 1966 was the only Democrat in the County to hang onto his seat.

Who the Republicans will put up against Quimby is unknown. One being mentioned frequently is a San Bernardino police lieutenant, Manuel Queveda, who has been active in the Mexican American Political Association (MAPA).

In a formal announcement, Quimby made his intentions clear.

"I will not be a candidate for Congress myself, and I will not actively campaign for any individual in the primary. I am a team player and will support the nominee of the party in November," he said.

The three-term Assemblyman said he appreciated the confidence in him shown by many supporters who had urged him to make the Congressional race.

"It is flattering to hear such speculations as my candidacy for Congress or some other office, but in fairness to my party and to the men or women who may be considering running for office, I think the time has come to clear the air," Quimby said.

He cited a number of reasons why he did not plan to seek any new post.

"First, and this may seem a little corny, but it is true - I like my job," Quimby said.

"There are a number of things that I have set out to do for my district, the county and the state. These tasks are not finished.

"My interest began in the development by California to forge an educational tool of inestimable value from the medium of television. We have a start, but there is still a considerable way to go toward the full utilization of educational television.

"I have sponsored many bills to make the peace officer's profession a more attractive vocation so that we can attract and keep the high type of men we need for this important work. But this job, too, has only be-

gun.

"And there is the matter of tax relief for farmers, so that they can continue their work in the state's number one industry, and not be forced to get out of farming because of taxes based on the value of his field to someone who would construct apartment buildings on them.

"Since I am in the field of Taxation, that's another subject. I cannot help but feel the need to re-structure our state's taxing system, and believe me, Gentlemen, I am very keen on this particular subject," the Assemblyman concluded.

Quimby cited the seniority that he was building in the Legislature and its importance to the district.

"The way I see it, voters to some extent, make an investment in the candidates they elect to Legislative office. When they see fit to re-elect him a couple of times, his position in the seniority system increases and he can begin to return some larger dividends.

Following the bond sale, board members awarded two contracts for construction of the main trunk line of the waste disposal system. Low bidders were the Dorfman Construction Company of Los Angeles, which received a \$1,534,613 contract, and Drain Line Inc. of Los Angeles, which received a \$2,887,713 contract.

The contracts are \$422,326 over the bond sale, and this amount will be financed internally by the CBMWD, according to Ray Ferguson, vice president of the board.

The contracts call for construction to start in 30 days.

Included in the initial project are construction of a main trunk line transversing the West End and a pumping plant in the Ontario area. Among present facilities to be served by the line is the Ontario Industrial Park south of Ontario International Airport.

Feeder Lines Subsequent construction

Items to be auctioned consist of bicycles, bicycle parts, and a variety of miscellaneous items such as small tools and sporting equipment.

The auction is open to the general public.

Upland Police Department will hold its annual auction Sept. 30.

The auction will take place at 10 a.m. on the parking lot located at the rear of the Upland Police Station, 159 East "D" St.

Police Chief John Wesley stated that every year the police department sells at auction all unclaimed property held in its possession for a period of six months or longer.

Items to be auctioned consist of bicycles, bicycle parts, and a variety of miscellaneous items such as small tools and sporting equipment.

The auction is open to the general public.

## Construction of \$16 Million Waste System Set To Start

Construction of a \$16 million industrial waste disposal system will begin within 30 days, following a bond sale and bid award by directors of the Chino Basin Municipal Water District.

Bonds in the amount of \$4 million were sold last week to Security First National Bank and First Western Bank and Trust at a net interest rate of 4.19 per cent, according to Carl Massengale, president of the CBMWD board.

The American Association of University Women will hold their first general meeting at Griswold's Claremont, Wednesday, Oct. 4, at 6:30. Reservations can be made by calling Anna Lee Holt: 986-5791.

The speaker for the evening is Professor Alfred R. Louch, chairman of the philosophy department, Claremont Graduate School. His talk will serve as an introduction to this year's study topic, "Testing Values in a

Changing Society."

Professor Louch completed his M.A. at the University of California, Berkeley and received a Ph.D. from Cambridge University. He has taught at Oberlin College, Syracuse University, University of California, Los Angeles, and currently at Claremont Graduate School.

In addition to articles in professional journals, he has recently written a book entitled Explanation and Human Action.

## Church loses music man

At a recent meeting of the Session of the First Presbyterian Church of Upland, the resignation of Burton T. Jackson, music and administrative assistant was received and accepted.

Jackson accepted employment in Orange County as a design detailer-draftsman and began his new employment on Thursday, Sept. 14.

The session, in receiving

Jackson's resignation, expresses deep and sincere appreciation for his twelve years of devoted service. Jackson was praised for his talents in music, building construction, leadership of youths and adults.

He will continue in a part-time relation as director of the Adult Choir and leader of the Sunday evening youth program until a replacement is found.

Like the doctor, policeman, fireman, hospital personnel, social worker, and others, the funeral director is 'on call' at all times. This availability, twenty-four hours of the day and night, contributes to the operating expenses borne by the funeral director in providing his services to the public. It is a professional responsibility we willingly accept.

### Sycamore Villa

Labor day proved to be a huge success at Sycamore Villa. The regular monthly pot luck was held in conjunction with the Labor-Day celebration. There were over 90 residents and their guests present. The theme was "farewell to summer" and the table decorations were scenes of fishing, farming, hunting, swimming, tennis, baseball and others. The little figures were made with pipe cleaners and colored paper. The big treat of the pot luck was the ham that was supplied by the park recreation funds and so beautifully prepared in wine and pineapple sauce by our own most capable Earl Foster. We were then entertained by the granddaughters of Mr. and Mrs. Shively, Mary and Martha Wyant and their friend Henry Layne, who sang and played the guitar. It was indeed a treat and was topped by Mr. Shively showing slides and a good time was had by all. Hostesses and workers on the decorations were: Charlotte Shively, Martha Gilette, Zae Cummings, Jane Newman, Mary Powers, Mimi Camp Vera Doyle and Alice Seymour.

Our monthly breakfast was the biggest success yet. There were 98 tenants and their guests and as always it was a wonderful treat. The food being plentiful and delicious. Thanks to our Breakfast chairman Earl Foster and his committee: Ralph Kaylor, Wally Gustafson, Tom Cummings, Dick Robinson, the waitresses and helpers were: May Larson, Ruth Robinson, Marie Foster, Margaret Hermann, Mary Powers, and Jo Kaylor.

Grace Meeder is doing nicely after her surgery. Mr. Mox entered the Hospital Wednesday.

Mr. & Mrs. Edward Schonbachler, Space 78, have been gone on a 3 month vacation to Copper Harbor, Michigan and Wisconsin and Ohio. They were visiting relatives and having a wonderful time covering a total of 6200 miles.

Russell and Leonora Hulan and daughter, JoAnn are back from a three week vacation in Oregon and Northern Calif. No fishing but lots of sight seeing and eating!

Gerold and Mary Herron spent a week with relatives in San Jose and Sunnyvale, Calif.

The little niece of Ralph and Jo Kaylor spent a week with them while her mother was convalescing and you can believe that little Julie Burton kept Jo and Ralph on their toes!

## Church Notes

The Women's Fellowship of the Etowanda United Church of Christ (Etowanda Congregational Church) will hold their regular meeting on Thursday, October 5 at 2 p.m. in the church basement. Mrs. James Vickers will speak on her 3 month trip aboard the USS Hope, a hospital ship. Mrs. Vickers is the daughter of Mrs. Glen Shepherd of Etowanda.

There will be a meeting of the parish at the Sacred Heart Church in Etowanda on Tuesday, October 3 at 7:30 p.m. in the church hall. All members of the parish are urged to attend.

The couples club of the Cucamonga Methodist Church will hold a theater party at the Gallery Theater on October 7. There will be refreshments served following the show at Klusman Hall.

\*\*\*

The Gospelmen Quartet of

Orange County will be featured guests of the Glad Tidings Church, 8033 Archibald Ave., Cucamonga, on Sunday night, Oct. 1, at 7 p.m.

The Gospelmen Quartet are sponsors of the February Songfest, and can be seen and heard in concerts throughout the southland. They feel they can be of service in helping others, as they bring inspiration and true joy to the hearts of both young and old by their varied program.

The pastor of the Glad Tidings Church extends a cordial invitation to everyone to be with them Sunday night, Oct. 1, to enjoy this outstanding presentation of Gospel singing.

Revival meetings will be held at First Baptist Church of Cucamonga, 7400 Archibald Ave. with the speaker Larry Carlton, Oct. 1-8. Services will be held at 7:30 p.m. each night.

### Highland wives will welcome newcomers

The Highland Wives (Upland High School Faculty Wives) will hold a coffee hour to welcome back all members and receive 16 new teachers' wives into the club Saturday, Oct. 7, from 10 a.m. to 11:30 a.m.

This first gathering of the season will be held at the new foothill home of the Robert Spencers.

The Mmes. Thomas Glasheen and Robert Spencer are co-hostesses, assisted by Mmes. Robert Loney, James Doonan, Wayne Horvath, and Frank Green.

Mrs. Calvin French, president, and Mrs. Donald Jackson, hospitality chairman, urge all members and honorary members to attend to renew friendships and to meet the new members.

Even with limited use, seat belts saved about 2,000 lives in 1966.

THE PROFESSIONAL TOUCH -- Mrs. George T. Duley, far left, professional dance instructor, and member of the Chaffey Community Art Association instructs fellow club members in the fine art of the "can-can" for their appearance at a "Gay Nineties Picnic", Saturday, Sept. 30 at 6 p.m. Dance pupils are from left to right, Mrs. Barbara Doody, Mrs. Sally Milne and Mrs. Maxine Klitenic.

## MS group starting new season Oct. 1

The Tri County Multiple Sclerosis Activity Group will begin their new season, Sunday, Oct. 1, at 2 p.m. at the Ontario-Upland YMCA, 215 West C St., Ontario.

This fall season begins the fifth year of operation, for the patients of M.S. under the direction of Mrs. W. M. Munford, general chairman.

The organization formed to aid the multiple sclerosis patients in keeping active, to share knowledgeable information and to foster interest in outside activities.

For the first meeting of the new season, Dr. Guy M. Hunt, Loma Linda School of Medicine and associate professor of Neurology will give a talk on "The Multiple Sclerosis Clinic."

The clinic has been in operation for multiple sclerosis since April 1, 1966, under the direction of Dr. Guy M. Hunt and supported by the Southern California Chapter of National Multiple Sclerosis Society.

On the agenda, Mrs. Munford, general chairman will reveal her findings in the medical field from her visit with the M.S. Society of Canada this past summer.

Joe Ambrose will discuss

# National Charity League announces year's events

Topping the business agenda for the first meeting of the fall season of the National Charity League, Football Chapter, was the introduction of new Provisional Patronesses, the appointment of committee chairmen and the announcement of activities planned for the coming year.

Mrs. J. Doug Robertson, president, extended a special welcome to Mrs. J. Kenneth Hull, Mrs. H. John Hoovall and Miss Clara Lou Nisbet, sponsors.

Also in attendance and introduced were Mrs. Robert G. Williamson, regional director of the National Board of N.C.L. and Mrs. Lynn W. Kloeffer, immediate past president of Football Chapter and national board secretary.

New Provisional Patronesses introduced by Mrs.

George K. Janesick were the Mmes: Ivar Lovret, Frank Delahoyde, Luis Barrenechea, Robert Cunningham, Alan Bond, Sam Maloof, Fred Dischinger, Walter Saccani, John F. Clinton, Maurice J. Smith, Don R. Wilder, Robert H. Crawford and Leon Presto.

Standing committee chairmen ratified were the Mmes: Robert McCutchen, service hours and awards; Benjamin Stevens, program; Reardon Dight, social; Wilfred M. MacSween, public relations press; James Keeshen, ways and means; Donald Rleson, budget and finance; Edward J. Duffy, hospitality; Alexander Gacsaly, philanthropy; George K. Janesick, membership.

Special committee chairmen include the Mmes: Hugo Vavrinek, provisional patroness; Douglas Sage, Diane Gibson memorial fund; Truman T. Ackerson, Betty and Lois Carlson scholarship fund; Gene Alair, civic light opera; Edward Pottofriff, S.A.C. Hospital representative; John Garello, telephone; Robert Webb, model; Howard E. Unrue, Jr., convention; Alan Swinler, Jr., N.C.L. Juniors; Donald McCormick, bridge section; Felix J. Bescoby, Ticktocker attic; Robert Martin, year book; Charles Vath, learning boards; Lloyd Michael, infant nightgowns; Gordon Ayers, layettes; Frank Ellena, S.A.C. Hospital central supply.

Activities planned for the season include a luncheon meeting at the Uplander Hotel Nov. 16, with a program of Folk Songs by Charlotte Callow, and the annual Mother - Daughter Christmas Tea scheduled for December 2, in the Ontario home of Dr. and Mrs. Robert G. Williamson.

A Patroness luncheon on January 18, will feature "A History of San Bernardino County" by Dr. Gerald A. Smith and the annual Father - Daughter Brunch on January 21, and the couples party in the Robert Chilcott home on March 16.

"The Juniors Welcome Spring" with fashions presented by NCL Juniors at a luncheon meeting is scheduled for March 21. Highlighting the mother-daughter luncheon to be held on April 20 will be a fashion show presented by 1968 Modelettes. The Annual Presentation Tea is slated for May 11 and the NOL convention on May 22-23.

Mrs. Robert Webb was named chairman of the standing rules committee and serving with her will be Mrs. Duffy, Mrs. Williamson and Mrs. Janesick.

Following the business portion of the meeting Mrs. Stevens, program chairman introduced Mrs. Herta Peters Anderson, associate director of admissions at Occidental College. Mrs. Anderson chose as her topic, "College Entrance."

The president thanked

Mrs. Duffy for luncheon arrangements and the Mmes: Earl Casler, Clyde Kimball and Edward Pottofriff for table decorations.

The invocation was given by Mrs. John Tomlinson, Jr. with the salute to the flag being led by Mrs. Floyd Plasman.

## Girls' Stater tells her experiences

Girls' Stater of 1967, Priscilla Rusdahl, and her mother, Mrs. Kenneth Rusdahl of Upland, were the special guests recently at the September meeting of the American Legion Auxiliary, Upland Unit 73.

Introduced by Mrs. Ardis Goforth, Girls' State chairman, Priscilla told of her experiences this summer at the state capital. She showed clippings about her activities and concluded with several numbers on her guitar.

The meeting was held at the home of Mrs. Lou Dewey, 314 East G Street, Ontario, and included a potluck dinner.

Other items on the agenda included a report from Mrs. Ardis Goforth on the state auxiliary convention she attended last June in San Diego.

Mrs. Edith Howerton, membership chairman, announced that this year's membership drive is now in

progress, with a goal set of 61.

Junior activities chairman, Mrs. Ethel Marsh, donated \$18 for six tickets to the Lawrence Welk program. She also moved that the dues for the organizational representative of the San Antonio Hospital to the Auxiliary be paid for the benefit of Community Service chairman, Mrs. Elsie Wesp.

Malasia is to be the Auxiliary's study country this year, according to Mrs. Lillis Griffith, foreign relations chairman.

Appointed temporary officers were Mrs. Helen Rogers and Mrs. Elizabeth Fossett, for treasurer and chaplain, respectively. The regular treasurer, Mrs. Elizabeth Naylor, has been ill, and the regular chaplain, Mrs. Elsie Larkin, was out of town.

Scheduled to be hostess for the October meeting is Mrs. Ethel Marsh.

NATIONAL CHARITY LEAGUE -- heard Mrs. Herta Peters Anderson (left) associate director of admissions at Occidental College when they met recently at the Uplander Hotel. Seen discussing college entrance requirements with Mrs. Anderson are Mrs. Alan Bond, (center), new club member and Mrs. George Graue, (right) recording secretary.

## Girl Scouts produce fair display

An elaborate display has once again been erected at the Los Angeles County Fair by seven Girl Scout Councils.

Greater Long Beach, South Bay, San Fernando Valley, Santa Anita, Pasadena, Angeles, and Spanish Trails Councils, comprising Girl Scouts throughout Los Angeles County and a portion of San Bernardino County are represented.

A 16-foot tree, representing the "Growing Up Tree" theme, is the main center of attraction. This tree has been covered with hundreds of crepe paper leaves of varied hues of green, formed by Scout Troops from the Spanish Trails Girl Scout Council.

Arranged artistically among the foliage are 6-inch

replicas of 108 Junior and Cadette Badges made by Whittier Senior Troop No. 438 under the leadership of Mrs. Mary Alice Hilbert.

Tiny twinkling lights further enhance the tree as it slowly revolves. A small house has been erected as a background for the 20 ft. by 30 ft. booth at the Fair.

Small cutouts in the shapes of the Girl Scout Trefoil insignia have been made and in each of these openings appears a mannequin wearing Girl Scout uniforms representing all age levels in the movement - Brownie, Junior, Cadette, Senior and Adults.

The Councils emphasized The Arts. The Home aspect of the program is provided by crafts made by girls at summer camps.

An exact 3 ft. reproduction of the Girl Scout shoulder patch listing the names of the individual councils responsible for this display enhance the sides of the booth.

This booth is on display to the public in the Junior Fair Exhibit Building from 9 a.m. until midnight, through Oct.

## Former Etiwanda resident Celebrates 100th birthday

William Henderson, formerly of Etiwanda and Lytle Creek, recently celebrated his 100th birthday at the home of his daughter, Elma Cornish in Glendora, where he makes his home.

He was born in Mt. Diablo in 1867 and was one of 13 children. His father was born in Scotland and came west in a wagon train during the Gold Rush Days. His mother came from Australia and lived in Alta Loma.

Henderson spent some 30 years in gold mines and was in Randsburg in 1898 when a

rich strike was made. He worked in tunnels for the Etiwanda Water Company and was in the crew that built the first ditch to carry water from Lytle Creek to Fontana.

He married Eva Smith in 1910. She was the daughter of a pioneer family from Cucamonga. The couple settled in Etiwanda and had two children, Mrs. Cornish and Erwin Henderson, now living in Brea. His brother, Grover Henderson resides in Etiwanda. He also has a sister, Belle Watson, in Little Rock.

## Memorial Cancer Dressing member award luncheon

Awards will be presented at the annual luncheon of District Five of the Memorial Cancer Dressing Station group, when members meet at 12 noon, Monday, Oct. 9 at Clifton's Cafeteria in Eastland.

Members of the Upland station established a record at the regular meeting in September, with 27 members completing 1008 dressings.

The next regular meeting will be held from 9:30 a.m. to 2:30 p.m., Tuesday, Oct.

3 at 611 N. Third Ave., Upland.

Members are requested to bring a sack lunch and coffee, tea and dessert will be furnished. For further information call 982-6003.

Your chance of survival is five times greater if you stay inside the car. Thousands of deaths and serious injuries are caused by being thrown from the car ... being dragged or run over by another vehicle ... or being run over by your own vehicle.

## Camp Fire Council hosts at L.A. Fair

Camp Fire Girls, Mount San Antonio Council, is hostess council to all southern Camp Fire Girls at the Los Angeles County Fair this year.

The booth in the Junior Fair building was installed by the local council under the direction of Mrs. Bess Reide and Mrs. Beverly Inman, artist designers and members of the council staff. "Follow the Open Road" is the theme for this year.

Mt. San Antonio Council groups will demonstrate the seven crafts of the program Saturday, Sept. 23, from 10 a.m. until 6 p.m.

Groups scheduled to appear are led by Mrs. Del-parde Guthry of Claremont, hand arts; Mrs. Robert Allen of Chino, knitting skills; Mrs. Joe Flores, West Covina, dramatics and Mrs.

Thomas Love, West Covina, hand arts; Mrs. Everett Hager, Rowland Heights, nature craft; Mrs. Bernard Fry, Covina, science; Mrs. Melvin Lewis, Baldwin Park, games; Mrs. Charles E. Morgan, Pomona, science and magic show.

Camp Fire Girls day at the Fair is Saturday, September 30. All girls will be admitted free of charge if wearing their official costume or upon presenting a current membership card.

The highlight of this special day will be a "Camp Fire Trail." Girls following the trail will be guided to exhibits of particular interest to their age group. Girls working on the current national project "Star in the Creative Arts" will find many helpful hints to help in their program year.

# Y board reviews summer program, views future

The regular monthly meeting of the Ontario-Upland YMCA Board of Directors was held Wednesday, Sept. 20 at the YMCA with Don E. Wight presiding, where summer program success and the future were key topics.

The summer program report was given by Evron M. Karges, YMCA Secretary, and Mr. Karges pointed out that 1,060 boys and girls were enrolled in the summer program with a total of 6,665 participants for four Day Camp periods, three special trips, three resident camps, the Chino, Los Serranos, and Cucamonga program, and one River Trip. New programs for the summer included the Chino Day Camp, Los Serranos boys program, a resident camp and Catalina Island for junior high boys, a special trip to the Universal Studios and the Cucamonga Recreation Program sponsored by the Assistance League of Upland, the Cucamonga School and the YMCA.

Robert A. Jennings, executive director, stated "This past summer was the largest in the history of the Ontario-Upland YMCA." Karges added that over 250 boys and girls sold 1969 cases of peanuts to earn part or all of their fees for the various summer activities. 27 boys were sponsored.

Dr. Irvin Goldhamer, chairman of the Building Physical Program reported that Jack Frost, football coach at Cal Poly and YMCA physical director, will direct the physical program. Jim Patzold, Glenn Morrison and Mary Ellen Sellers will teach the Midget and Gray-Y skills program on Wednesdays. Jim Patzold with the assistance of Claude Eisen will direct the Saturday gym FunDay activities and crafts on Saturday morning.

Mrs. Mary Killinger, physical education teacher at Vernon Junior High will teach the Women's Slimness Classes on Tuesday and Thursday evenings, 8-9:30 p.m.

Men's Volleyball classes will be held on Monday and Wednesday noons and Tuesday evening. The high school and young men's open gym

## Manager wins trip to Avalon

Bette Wirtz, district manager for the Upland News, collected a prize for her work with the carriers under her direction a trip for two to Catalina, Saturday.

She earned the prize in competition with other district managers by topping them on the percentage of increased collections on her boys' routes.

Saturday was reported a "perfect day" to visit Catalina, not only was the sky and water blue, with no tinge of smog, but it was the start of the annual two-day Catalina art festival, in which island and mainland artists display their work on the main streets of Avalon.

## Rabbitry requested in Heights

County Planning Commission will give a hearing Oct. 5 to a request by Robert Naylor to establish a rabbitry in an R-1-10M zone in San Antonio Heights.

The Commission announced the hearing would start at 9:30 a.m. in the Commission chambers, 316 Mt. View Ave., San Bernardino.

The zone is for single family residences, with a minimum 10,000 square foot parcel size.

At the end of a meeting and bounds description of the location, it is given as "generally located northeast corner of 25th St. and Electric Ave., San Antonio Heights."

Of the 100 top agricultural counties in U. S., 26 are in California, with Fresno, Kern and Tulare counties in first, second and third place in value of all farm products sold.

In 1966 California continued in fourth place in the nation in the total commercial production of milk, nearly four billion quarts.

Over the past few decades American farmers have increased their productivity at a rate twice that of American industry.

will be on Monday and Wednesday. The high school group are scheduled for 6:30-8 p.m. and the young men's class from 8-9:30 p.m. These two groups will also have use of the weight and work-out room.

Dr. Irvin Goldhamer states "New mats for the work-out room have been ordered." Special classes in gymnastics and wrestling will be organized upon

the arrival of the new mats. The Ontario Kiwanis Club and Y's Menettes made special designated gifts for the new mats.

Paul Clarke, House Committee Chairman, announced the gym floor has been refinished and all physical equipment placed in excellent condition.

Jennings stated that DeAnn Koustik will be in charge of the H-Y and Tri-H-Y

Club Program assisted by Mr. and Mrs. Ernest Heald and Saragene Johnston. The high school program started this past week with the 'Y' Council of club officers holding their first meeting Tuesday, Sept. 19 to plan the club program for the coming school year.

The YMCA Board and Staff urged members and persons interested to come to the program.

## Educators to attend Principals' workshop

Several Upland educators, all members of the Upland Administrators' Council will be attending a Principals' Workshop conducted by the San Bernardino County Principals' Association, Thursday, Friday and Saturday, Sept. 28 to 30, in Palm Springs.

The delegation is headed by Shelby Forrest principal of Pioneer Junior High School and president of the Principals' Association.

Accompanying Forrest will be David Bardin assis-

tant principal at Pioneer; Alexander Angel, assistant at Upland Junior High; Derrel Dawes, principal of Sylmar; Evelyn Head, principal at Foothill Knolls; Leon Kern, principal at Valencia; Keith Larick, principal at Baldy View and Robert Nolan, principal at Upland Junior High.

Only 20% of all serious accidents in a convertible involve a rollover. In the other 80%, belts would prevent ejection.

## Sandoe arraignment set on 3 felonies

Karl Frederic Sandoe, 19, of 458 N. First Ave., Upland was ordered to appear in Superior Court Oct. 6 to be arraigned on charges of homicide, grand theft and burglary.

Sandoe was accused of the felonies after the death of his neighbor, Paul Rodney Dagg, 72, who was found dead in his home Aug. 21.

Sandoe was arrested by Santa Barbara police on suspicion of strongarm robbery, and a relative of Dagg's living near Santa Barbara tele-

phoned Upland police, leading to his subsequent arrest on the local charges.

He was bound over for the Superior Court arraignment by Municipal Court Judge Richard Garner.

When arrested in Santa Barbara, Sandoe was in possession of Dagg's car and gun.

Half of all injury-producing accidents occur at impact speeds of 40 m.p.h. or less.

# Can federal octopus be tamed ?

Americans who keep a watchful eye on our ever-expanding Federal Government may justifiably take some comfort in what seems to be a growing trend to give states and local communities more say in the management of programs supported or subsidized by funds from Washington.

Congressmen, both Republican and Democrat, are becoming acutely aware of something many of us have suspected for years -- that we should not expect Uncle

Sam to provide management and control of local programs when state, county, and city governments are equipped to do the job. Whether we are dealing in education, crime control or poverty war programs, it is fast becoming clear that Federal management in these areas can be graft-ridden and grossly inefficient.

With this in mind a constituent writes, "Wouldn't it be a helluva lot better and cheaper, in the long run, to reduce federal tax take

and allow states and communities to raise these funds locally for local use and administration? It all comes from the taxpayer, anyhow!"

My reply to this down-to-earth observation is a resounding "yes". Ideally, federal government should do only what cannot be done by the states, and it has been demonstrated that states can do an effective job in most areas involved in hand-outs from the Treasury in Washington. In my

opinion, it's high time state governments identified these areas and developed their own programs.

In the meantime, we must recognize that the Federal octopus has established its ability to tax individuals regardless of what states are doing. So, the first step is to reestablish state control of funds coming from the national treasury.

I'm glad to report progress in this direction. Helped by last year's elections in the House of Represent-

tatives, "states rights" lawmakers are beginning to break the Administration's grip on Great Society spending programs. The House succeeded in giving the states vital responsibility in the federal aid to education programs. They enjoyed their biggest triumph last month when the House altered the President's anti-crime bill to give states an important say in the use of federal money to train city police.

The House-passed Social Security bill reflects the determination of many Congressmen to tighten up the welfare system, threatening a state with a freeze on federal funds if able-bodied, trainable welfare recipients

don't accept jobs. Health, Education and Welfare Secretary John Gardner already has protested that this rule is too tough. We'll have to wait and see what the Senate does with this hot potato.

Whatever happens on these and other issues, it is heartening to notice that state governors are waking up to the threat of a brand of "creative Federalism" that would choke out local government. The National Governors' Conference has opened a Washington office to represent their views on Capitol Hill and 46 states now employ specialists in Federal relations. Only 10 states did so last year.

## Evangelistic services start on Wednesday

Dr. George L. Ford, executive vice president of Azusa Pacific College, will conduct evangelistic services at the Upland Brethren in Christ Church Wednesday through Sunday, Sept. 27-Oct. 1.

Dr. Ford has been associated with the National Association of Evangelicals since 1951, serving as executive director, 1956-1964. He was extensively engaged in the shipment of relief clothing to Korea in 1953.

Presently he is chairman of the NAE commission on higher education.

Becoming president of Los Angeles Pacific College in 1965, Dr. Ford was instrumental in effecting a merger of L.A.P.C. with Azusa College to form the new institution known as Azusa Pacific College.

Dr. Ford has authored two books, "The Miracle of America," and "Manual on Management for Christian Workers." He is the recipient of a Certificate Award by the Freedom Foundation of Valley Forge, for his

magazine, article "Is Patriotism Sinful?"

Services are scheduled nightly at 7 p.m. A "Youth Only" night for high school and college age young people is scheduled for Saturday, Sept. 30. Dr. Ford will speak on "Is the Hippie Way the Happy Way?" Concluding services on Sunday, Oct. 1 are scheduled for 10:40 a.m. and 7 p.m.

The evangelistic services represent an important phase of the fall enlargement emphasis in the church's life, Pastor Elbert Smith explained. The public is invited.

## Two make deans list at UCSB

Outstanding academic achievement of 957 undergraduates at the University of California, Santa Barbara, has been recognized by publication of the Dean's List, by the office of the Dean of Students, including two Uplanders.

Of the total, 154 had 4.0 (straight A) records for the quarter. To win a place on the Dean's List, a student must achieve a grade point average of 3.5 or better.

From Upland, the following students were honored: Charles Clark Kaweck, son of Mr. and Mrs. Charles E. Kaweck of 328 West 16th St.

Hugo Stephen Rossiter, son of Mr. and Mrs. Ronald L. Rossiter of 1560 W. Arrow Highway. Both students are graduates of Upland High School and Chaffey Junior College.

## Pack 616 has busy summer

Cubs and families of Pack 616, sponsored by the Church of Jesus Christ of Latter-Day-Saints have had a busy summer program.

Besides regular den meetings the pack had an outing at Corona Del Mar Beach in August. Swimming and plenty of watermelon was enjoyed by more than 40 people who attended.

Awards were presented to the cubs by cubmaster Robert Reichmann: Wolf Jeff Reichmann and Rodney Dietrich. Gold Arrows Jeff Reichmann, Mike Pendleton, and Rodney Dietrich, Silver Arrow Gary Teal.

Special attention was given to graduating Larry Pendleton who received his Arrow of Light Badge, a Silver Arrow, Scout-O-Rama patch, and was presented the graduation banner with duplicate earned awards attached.

The September pack meeting was held in the church cultural hall. The change in the national cubbing program was explained.

## Impressive football power

# Upland makes top 10

Upland High's impressive whitewash of Eisenhower Friday night earned the Highlanders in the Top 10 this week.

Upland and Bellflower were voted a tie in the sixth and seventh spots of the poll of the Southern California Prep Football Writers, in the AAA division. Both got 32 votes.

Next Friday Upland will take on powerful Alta Loma, who rolled over a green

Montclair team 33-20 last Friday.

While that was happening, Upland was running all over hapless Ike, 33-6.

Highlanders scored in the first and second quarters, and added 20 more points in the fourth quarter. Ike's lone tally came in the second.

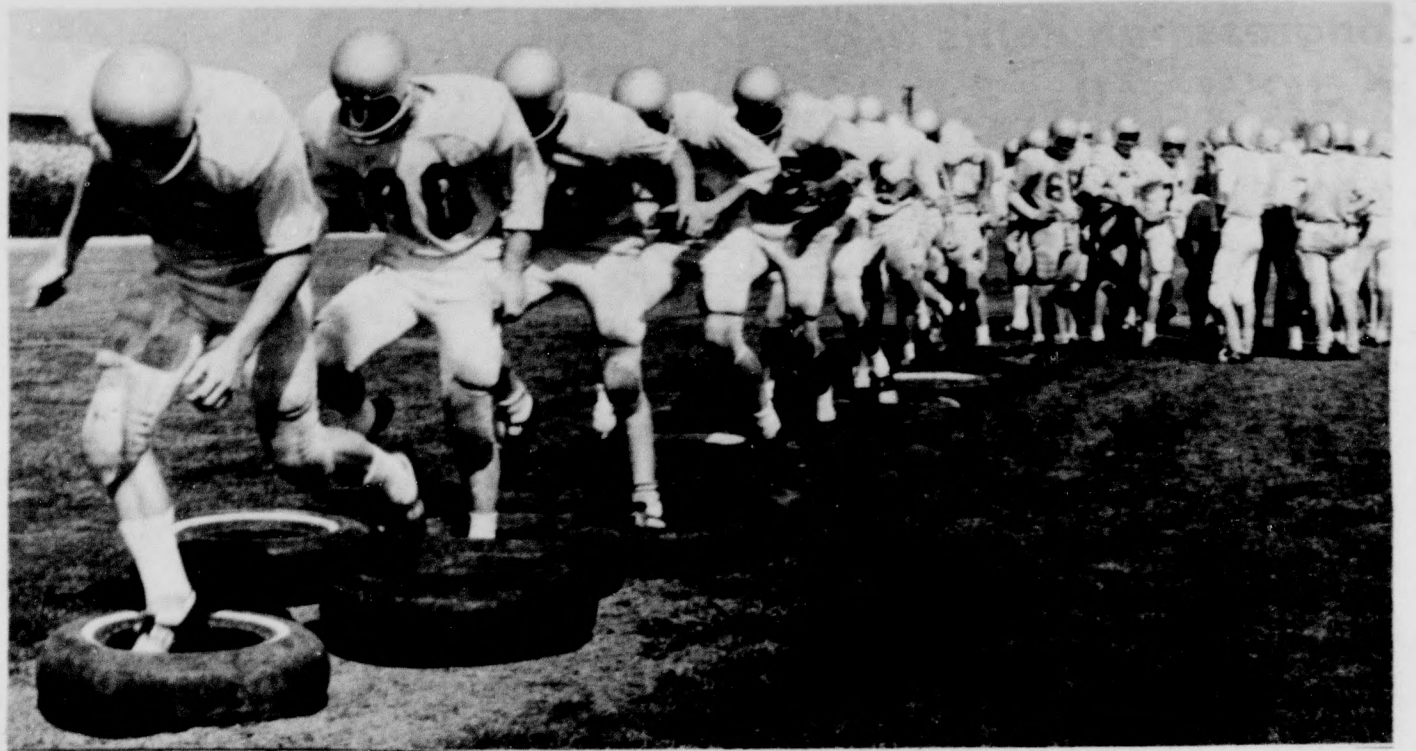

Pat Bandy saw his first Upland team win on the ground. Jim Cooper ran up 214 yards to lead the Scots. He also chalked up two of

the TDs.

Cooper set up one touch down, but it was his brother Gary who plunged from the one.

Upland was not without an aerial attack, with Vance Willison hitting on seven out of 17. Passing yardage was close to the 100 mark, but on the ground, there was an impressive 290-yard forward movement.

Eisenhower went backward—20 yards net the wrong way.

AL Braves working out

## Chargers really do

Scoring early in the first quarter on a 25-yard run by David Carter, and the extra point by Rocky Chapman, the Chargers proceeded to score again with only two minutes to play in the half when David Carter returned the kick off to the 12 yard line of the Rams. Good blocking by David Carter and Rocky Chapman ran 12 yards for the T.D. point after no good.

Midway in the third quarter, Carter and Chapman alternated with the ball and Chapman ran from 11 yards out for another T.D. point after no good.

After a series of downs the Ontario Rams gave the ball up on the Chargers 38 yard line. The first play Chapman threw a pass to Norman Falls who ran for another T. D. point after no good.

The game saw-sawed back and forth in the fourth quarter until the Chargers intercepted a pass on their nine yard line. The first play saw the Rams intercept a pass and run for their single T.D. and scoring the extra point with less than three minutes to play the Chargers ended the game in possession of the ball and their first game of the season.

## AL offense, passing credited with win

A versatile offense and a fine passing attack was the difference as Alta Loma High defeated the Montclair Cavaliers 33 to 20 in a football game played last Friday night at Upland's Highlander Stadium.

The Braves tallied first when running back Tom Fowkes climaxed a 75 yard drive by scampering 20 yards for the score. End-Ruben Romo added the extra by spearing a Rocky Long pass in the end zone to put Alta Loma on top, 7-0.

It wasn't until the second quarter when Montclair mounted its first serious drive for a touchdown. Dwight Delyser ended any speculation about the Cavaliers' ability to score when the talented fullback bowled over the TD from three yards out. The try for the PAT was unsuccessful however, and Alta Loma still led 7-6.

With seven minutes to go in the first half Montclair got a break when Linebacker Terry Southard recovered a Brave fumble on the Alta Loma 45-yard line. Delyser then excited the Montclair fans on the first play by dashing down the sidelines for the score.

Quarterback Tom Phillips tossed to Bob Winkler for the extra point and Montclair held the upper hand with a 13-7 advantage.

However, Alta Loma was not to be denied the lead as Quarterback Long put the Braves on the scoreboard once more by heaving a pass from 16 yards out to Randy Ranck in the end zone with one minute to go in the half. Long put the Braves ahead 14-13 when he successfully ran for the PAT.

In the opening minutes of the third quarter Alta Loma drove 38 yards to score again when Long ran the ball over from the one on a quarterback sneak. A high pass from center prevented the Braves from getting the extra point and Alta Loma led 20-13.

Montclair succeeded in tying the score in the fourth quarter with a one-yard plunge into the end zone by Fullback Darrell Cederlind and a Phillips to Winkler pass for the PAT.

Alta Loma went ahead to stay, after receiving the kick-off on their own 40-yard line, when Long again showed his passing ability by completing a 19-yard aerial to Ranck for the score. The Braves proved their

versatility on the PAT attempt when halfback Jeff King took the hand-off from Long and on a pass-option play threw to Ranck in the end zone for the conversion, giving his team a 27-20 edge.

On the ensuing kick-off Cederlind managed to return the ball to mid-field. The turning point in the game came when the Montclair fullback caught a screen pass from Phillips and ran to the Alta Loma 30-yard line. However, Cederlind fumbled the ball and the Braves recovered.

The Braves wasted no time in capitalizing on the obvious let down of the Cavaliers. Quarterback Long capped a 70-yard drive when, finding no receivers open to pass to, he tucked the ball under his arm, eluded tacklers and sprinted 20 yards down the sidelines for the score.

Though the PAT failed, the 33-20 advantage proved to be enough for Alta Loma to secure the win.

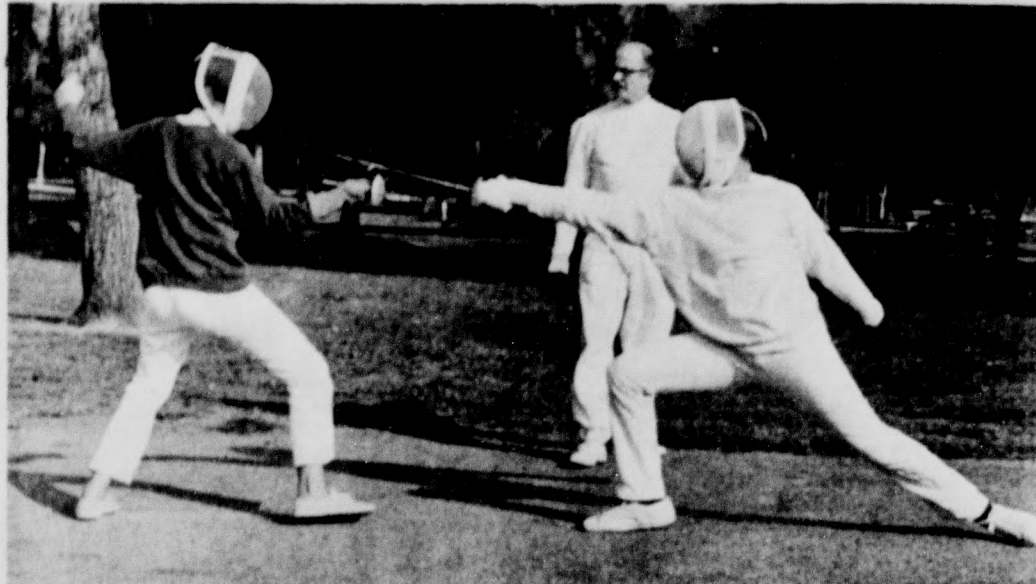

### FISHING PROPOSAL

Among new proposals by the Department of Fish and Game is one to open Puddingstone Reservoir to night fishing for all species.

## Parochial league organized

The reorganized Valley Parochial League will open play Wednesday with the six schools seeing action.

Opening day pairings are: St. George of Ontario at St. Joseph of Pomona, St. Madeleine of Pomona at St. Joseph, Upland and Our Lady of Assumption of Claremont at St. Margaret of Chino. All games start at 3:45 p.m. The opening contests won't count in the league standings.

"TOUCHE" -- is the cry as Upland recreation department fencing students practice the ancient art under the experienced eye of their instructor, George Weidmann. Free fencing instruction is offered Tuesday from 6 to 8 p.m. in the Community building at Upland Memorial Park.

## Fencing tournament slated

The annual Upland Recreation Department sponsored fencing tournament will be held Wednesday evening, September 27, at the Upland High School boys gymnasium.

The program will begin at 7 p.m. and continue through the evening. Competition will be held in various age divisions for boys, girls, men and women.

George Weidmann, Upland Recreation Department fencing instructor, will supervise the evening program. Weidmann has been instru-

mental in making fencing a popular activity in the local area since joining the Upland Recreation Department three years ago.

Weidmann indicated that outstanding fencers from the West End Fencing Club will be on hand for demonstration matches as well as judging tournament competition. One such person is Dr. Francis Zold, fencing master who learned the art in his native Hungary, where he was an Olympic team member, and for more than

20 years one of Europe's top swordsmen.

Free fencing instruction is offered Tuesday 6 to 8 p.m. in the Community building at Upland Memorial Park. Further information regarding this program may be obtained by phoning Weidmann, 982-1886.

Awards will be presented winners by George Schilens, recreation director. Admission is free and those persons interested in spending a different and exciting evening should plan to attend.

## Travers back at Bowdoin and running cross country

Lee Travers, son of Mr. and Mrs. Lee Travers of 865 N. 1st Ave., Upland, has recently returned to Bowdoin College, Brunswick, Me., where he is entering his sophomore year.

Travers is a member of the winning cross country team at the eastern college, and his coach Frank Sabas-teanski said this week that

he is expecting big things from Travers, who was a top-notch freshman last season.

Last year's Polar Bears finished the season with three wins, one loss, and one tie, and registered a fourth in the annual Eastern Championships at Boston.

Travers is a graduate of Upland High School.

## Two Upland PW teams victorious

It was all Upland in Pop Warner football as both the PeeWee and Midget teams defeated Montclair representatives, 12-0 and 21-0, respectively, in games played Sunday at Chaffey College.

In the PeeWee fray which pitted the Montclair Marauders against the Upland T-Birds, Joe McKellar of Upland scored the first touchdown on a quarterback sneak with a fourth down and one yard situation during first period action.

The T-Birds registered their second and final tally in the final period when Fullback Tommy Mitchell scampered 47 yds. for the score. Outstanding players for the winners included Mitchell on offense and Cliff Brown on defense.

The Midget contest was more of a defensive battle until the second quarter when the Upland Hawks recovered a Montclair Marauder fumble on the Montclair five-yard line and scored on the first play from scrimmage

with Neil Boring sweeping around left end for the TD. Upland added the point after - touchdown, and the Hawks led 7-0 at half-time.

Montclair held the Hawks from scoring during most of the third period, but Upland was not to be denied as they penetrated to the Marauder four yard line with a first and goal to go. On second down Ralph Valadez busted through the Montclair line and Upland led 14-0.

Upland's final tally came with 30 seconds left in the game when John Nocella scored on a passing and running play covering 30 yards. Nocella also ran for the PAT and Upland won 21-0.

Even though Montclair had their troubles with the Braves outstanding performances were turned in by the following players. Smiley Easley, Mike Monteth, Bill Caridi, and Steve Carrow.

### Three classes

## Kapu-Kai Re-Opens Under New Owner

The Kapu-Kai Coffee Shop opened under new management last week and plans to re-open the bowling alley have tentatively been set for October 6, according to the new owner - manager, Warren Sato.

Sato, who plans to give the operation an Hawaiian atmosphere, was born, raised and educated on the island of Oahu in the Hawaiian

Islands. He has been in the bowling alley business for the past 14 years.

According to Sato, the bar, lounge and restaurant will be opened around October 9. He said that there is a plan for nightly entertainment and the coffee shop will be open 24 hours a day, except for Sunday and Monday, when they plan to close at midnight.

Sato said that he has hired approximately 20 employees already and will be needing a few more when the bowling alley is opened.

The bowling alley, Sato said will be featuring 32 new Brunswick machines. He said that anyone wanting to join a league should call 987-4651 for further information.

As to the proposed entertainment, Sato said that "there will be a variety of types of shows. We will be trying to get the Vegas type of entertainment here."

"ASIDE FROM BUILDING SAFETY into the new Interstate and other highways, we have an even larger assignment in removing the deadly boobytraps from older ones," -- Francis C. Turner, director, Bureau of Public Roads.

## NOTICE INVITING BIDS

For the improvement of Certain Parcels located within the Downtown Upland Improvement Area, Upland, California, for Parking Purposes.

NOTICE IS HEREBY GIVEN that sealed bids for the improvement of Certain Parcels located within the Downtown Upland Business and Improvement Area for parking purposes, will be received in the office of the Purchasing Agent of the City of Upland up to 2:30 P.M. on October 20, 1967. At that time they shall be taken to the Council Chambers and publicly opened in accordance with the Plans, Specifications, Standards, and other Contract Documents on file in the office of the City Engineer. The bidder is referred to said Plans, Specifications, Standards, and Contract Documents for further information.

Plans, Specifications, Standards and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "D" Street, Upland, California upon payment of Five Dollars (\$5.00) for each complete set, including the Standard Specifications for Public Works Improvements, or upon payment of One Dollar (\$1.00) for each set without the Standard Specifications book. The \$1.00 charge for Plans, Standards and Contract Documents will not be refundable.

Each proposal must be accompanied by a certified check, cashier's check, or Surety Bid Bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in a Resolution adopted September 19, 1967 by the Members of the Upland Parking Authority, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids may be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words, "Bids for Improvement of Certain Parcels for Parking" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the Members of the Parking Authority may deem not to be in the best interest of the City of Upland and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 70 days thereafter.

Bidders are to contact the City Engineer and set up an appointment before inspecting the buildings to be demolished.

Work of construction shall begin within 10 days after the signing of the contract and shall be completed within 75 calendar days after the date of the contract.

Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the Plans and Specifications may also be obtained from the Purchasing Agent.

By order of the Upland Parking Authority.

TIME OF OPENING

Notice is hereby given that the Board of Trustees of the Upland School District, Upland, California, will receive sealed proposals up to, but not later than 4:00 PM on October 12, 1967, for construction of the Additions and Rehabilitation work on the existing Upland Junior High School Site, 444 East 11th Street, Upland, California, and miscellaneous site work at seven other existing schools.

WHERE RECEIVED

Such proposals shall be received in the Office of the Superintendent of Schools, 904 West Ninth Street, Upland, California, on or before the time and date stated above.

WHERE DRAWINGS AND SPECIFICATIONS MAY BE SECURED

Each proposal must conform and be responsive to all pertinent contract documents. Copies are now on file and open for public inspection in the office of the Architect. Plans and specifications and all pertinent contract documents may be obtained for bidding at the office of the Architect, Harnish, Morgan & Causey, A.I.A., 500 East "E" Street, Harnish, California, upon deposit of Twenty-Five Dollars (\$25.00) per set. A non-refundable mailing charge of Five Dollars (\$5.00) per set will be required for each set mailed to California cities.

BID FORM

Each proposal shall be submitted on forms provided in the Specifications. Proposals submitted on other forms will be rejected.

BID GUARANTEE

Each proposal shall be accompanied by a certified or cashier's check or bid bond for five per cent (5%) of the amount of the proposal made payable to the order of the School District, shall be sealed in a plain envelope with the name of the bidder and the kind of work on which he bids marked plainly on the face of the envelope and filed with the Superintendent of Schools at 904 West 9th Street, Upland, California, on or before the time and date stated above. Each proposal will be opened and publicly read aloud shortly thereafter.

Said check or bond shall be given as a guarantee that the bidder will enter into the Contract if awarded to him. In the event the bidder refuses to execute said contract, the use by the public of said structure will be delayed, and the public will suffer great damage. From the nature of the case, it would be extremely difficult and impractical to fix said amount of damage. Therefore, the School District and the bidder agree that the above sum shall be paid to the School District under the conditions set forth above as liquidated damages and not as a forfeiture.

PREVAILING WAGE RATES

Pursuant to the Labor Code of the State of California, the said Board of Education has ascertained the general prevailing rate of per diem wages for each craft or type of workman needed to execute the contracts which will be awarded the successful bidder; and those prevailing rates are contained in said specifications adopted by the Board and are as follows, but not including Health and Welfare Benefits, nor Contract Administration Funds:

CLASSIFICATION HOURLY WAGE RATE

BRICKLAYERS \$5.51

Bricklayer, Stone Masonry or Concrete Block Layer Foreman - Not less than .25/hour above Journeyman rate.

## Dale Gordon

Marine Private Dale W. Gordon, son of Mr. and Mrs. Jacques L. Gordon of 12814 Foothill Boulevard, Etiwanda, completed two weeks of training under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics at this Marine Corps base. This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced non-commissioned officers of the infantry training regiment at the Great Lakes Training Center, it prepares the young Leatherneck to become part of the Marine air-ground combat team.

While in the field he was taught how to use hand grenades, a compass and the principles of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another.

From this course, he is

scheduled to go on to more advanced training before being assigned to his permanent unit.

## Bruce Naftel

Boilerman Third Class Bruce V. Naftel, USN, son of Mr. and Mrs. Bernard Naftel of 4 Oak Dr., Mt. Baldy, returned to Norfolk, Va., recently aboard the attack aircraft carrier USS America after an extended deployment with the U.S. Sixth Fleet in the Mediterranean.

During the past eight and one half months the 77,000-

ton America has steamed nearly 55,000 miles, participating in exercises with air and naval units of our North Atlantic Treaty Organization allies.

When the Middle Eastern crisis flared, the America came to the aid of the communications ship USS Liberty after that ship was mistakenly attacked by Israeli aircraft and torpedo boats on June 8. The next day crewmen assisted in transferring wounded Liberty crew members to the America and rendering medical assistance.

The ship recently added

more laurels to her record by winning the Battle Efficiency Award for Atlantic Fleet attack aircraft carriers for 1966. The award is presented to the attack carrier which, through competitive exercises, proves to be in the highest state of combat readiness.

America's ports of call during the deployment included major seaports in Greece, Italy, Spain, Malta and Turkey.

## Donald Salmon

Donald D. Salmon, 20, son of Mr. and Mrs. Dennis D. Salmon, 388 E. 13th St., Upland, was promoted to Army specialist four Aug. 27 while serving with the 71st Ar-

tillery in Vietnam. A rocket launcher crewman in Battery D of the 71st Artillery's 6th Battalion located near Nha Trang, Spec. Salmon entered on active duty in January 1966 and was stationed in Germany prior to his arrival in Vietnam.

Spec. Salmon is a 1965 graduate of Pomona Catholic High School.

## Donald Wells

Doctor (Captain) Donald L. Wells, son of Mr. and Mrs. Gomer R. Wells, 8389 Baker St., Cucamonga, completed a medical service officer basic course Sept. 8 at Brooke Army Medical Center, Ft. Sam Houston, Tex. During the four-week

course, the doctor was trained to apply his previous medical knowledge to combat conditions in the field. He also learned the use of field medical equipment, evacuation procedures and preventive medicine techniques.

Dr. Wells was graduated in 1958 from Pomona College, Claremont, and received his M.D. degree in 1962 from the University of California School of Medicine, San Francisco.

His wife, Betsy, lives at 1000 W. Carson St., Torrance.

## Norman Nelson

Boilerman Third Class Norman R. Nelson, USN, son of Mr. and Mrs. Norman C. Nelson of 8651 LaGrande St.,

Alta Loma, helped land a battalion sized force of Marines along the northern coast of South Vietnam near Dong Ha, as a crewman aboard the dock landing ship USS Hermitage.

The special landing, dubbed "Operation Beacon Point", was a concentrated effort at stemming the enemy's flow of men and munitions from the north and terrorist activities in the Dong Ha area.

Leathernecks of the First Battalion, Third Marine Regiment were moved into the area by amphibious landing craft and helicopters, as two Navy destroyers stood further off shore and provided supporting heavy gunfire.

Navy and Coast Guard small craft patrolled closer inshore to prevent the enemy's escape by sea and Marine Corps jet planes provided close air support for the ground forces ashore.

## Terry Coville

Terry Coville, who was a staff reporter-photographer for the Upland News until he was drafted into the Army in December, 1966, is stationed in the Canal Zone.

Terry is editing reports to Washington in an intelligence office. For a time he was also working on an English language newspaper in his spare time.

## Lifesaving heart education for medical people continues

The combination of medical skill and swift care with ultra-modern facilities today is saving many heart-attack victims who a few years ago would have succumbed within the critical first 72 hours.

In a continuing campaign to instruct all those involved in this life-and-death struggle, the San Bernardino Heart Association next month will sponsor another series of professional sessions in cooperation with the County General Hospital.

A five-week course for physicians will be held in the hospital auditorium on Wednesday evenings from Oct. 4 to Oct. 18 and Nov. 1 and Nov. 8.

Three of San Bernardino County's top cardiologists will present the programs entitled "The Aggressive Management of Myocardial Infarction."

They are Dr. Carl L. Cook, Jr., Dr. Randall M. Kersten and Dr. Lawrence E. Ver

Husen, all of San Bernardino.

The major objective of the course will be to emphasize the purpose of intensive coronary care, convey the concepts of aggressive coronary care, instruct physicians in the use of facilities in coronary care units at hospitals and inform them to quickly recognize and treat various conditions in heart attack cases.

Another purpose will be to more closely coordinate physicians' "team work" with nurses staffing the coronary care units who have received such training in earlier courses sponsored by the Heart Association.

The major portion of the registration fees for the physicians' course will be used to further the training of county nurses in coronary care.

The Heart Association mailed out announcements on the important course to 545 physicians in the San

Bernardino County Medical Society rolls.

However, registration will be limited to the first 70 physicians who return their applications, spokes men said.

Each session will last 2-1/2 hours in the hospital auditorium at 780 East Gilbert Street, San Bernardino.

The coronary care unit is now hailed by medical experts as the most ideal setting for the intensive care required by those who have just suffered a heart attack.

A coronary care unit is specifically designed, equipped and staffed to meet the anticipated needs of patients immediately following an attack.

Its basic premise is the continuous assessment of patients through a unique combination of direct observation and cardiac monitoring.

Where they are in use in hospitals the fatality rate during the first hours following an attack has shown a sharp decrease.

by Walt Orvis

This is National Highway Week. Just how you celebrate it is up to you. It is not suggested that you get out and drive up and down the nearest highway.

If you do feel like driving, just to celebrate, start now and you'll be early for the largest display of recreation and outdoors equipment ever offered in the Los Angeles Sportsmen's, Vacation and Travel Show, which has been scheduled for March 31-April 7, 1968 at the Pan Pacific Auditorium.

Only reason I brought that up is that I'm hankering to head out to the desert again, now that the heat's off, and do a little rock hunting.

I'm not a rockhound, but I could easily develop into one. Leave it to an eight-year-old son to get the old man in gear.

Steve kept the family at the rockhound show at the L.A. Fair over an hour Saturday. Now all he wants are rocks, which he is willing to let me help collect, and saws, polishers and tumbblers to convert some of his rocks into jewelry, other pretties and useful things like bookends and desk pen bases.

It's a good hobby. Makes me wish I was back for a week end in Glendive, Mont. Used to work on a paper there. On the north side of the Yellowstone River at Glendive and environs is the mother-lode of the Montana moss agate. We used to go agate hunting in the spring after the runoff from melting snow exposed tons of agates, most 3 to 5 inches across, some big ones.

When I came to California in 1954, I still had about 50 pounds of them, and I gave them away to a rockhound. I hope he enjoyed them.

Ask me my hobby and to tell the truth, I would have

to say "work." I think everyone should have some kind of hobby that will take them away from their work and from the house and yard and the repainting job they have to do; or in your case it is weeds? (I claim all such mundane pursuits around the house.)

My wonderful wife, Mary Lou, thinks I ought to get another hobby, like rocks. She even promised not to throw any of them at me.

Wait until she finds out that rock cutting and working equipment costs more than some of the cameras and lenses I would like to buy.

Photography is my hobby, too, but I do very little with photography except work, another reason I would have to say that my hobby is work.

I have had an enlarger sitting and waiting for about three years, waiting until I had some time to work on some prints. I used it once to help out a friend. I might as well give up.

That's the beauty of a hobby like hunting for rocks. You have to get away from the house. No faucet washer is going to rear its ugly head right in the middle of a fun session.

Once you get away from home, it's easier to save your conscience about the weeds, the painting, or whatever it might be that sits and stares at you, producing a guilt feeling while you are trying to hobby yourself into forgetting about your day-to-day problems.

One of these days, off to the desert on an overnighter. It was out there that some friends loaded Steve up with some rocks that began his interest and his collection.

I can see the back of the wagon dragging the ground, and me in the same shape.

But it's good to get away from it all, and maybe collecting rocks in the desert or mountains will help get the rocks out of my head.

## Casa Colina announces new doctor

William C. Barritt, M.D., specialist in physical medicine and rehabilitation, has joined the staff of Casa Colina Rehabilitation Center, Pomona.

Dr. Barritt is a graduate of the University of Nebraska College of Medicine, with post-graduate studies in internal medicine and cardiology at the University of Southern California, and four years of residency -- two years in internal medicine at San Diego County and Los Angeles County Hospitals, and two recent years in physical medicine at Wadsworth Veterans Administration Hospital.

As physiatrist of Casa Colina, licensed hospital for physical medicine and rehabilitation, Dr. Barritt will be responsible for planning individual patient programs, setting rehabilitation goals and over-seeing the therapy programs to insure reaching those goals.

In some cases diagnostic evaluation will be made with the aid of an electromyograph (EMG), a machine which analyzes nerve and muscle activity in the investigation of nerve injuries.

## Pre-school has space

The Valley Pre-school, 91 85 Monte Vista Ave., Montclair, is still taking applications for the 1967-68 school year.

Valley Pre-school Inc. opened its doors for the beginning of its eleventh year of providing parent participation nursery school experience for families in this area.

It is a non-profit, non-sectarian, interracial nursery school for children between the ages of two years, nine months and five years. The school's teacher-director, Mrs. Sue Boonsar, is assisted by the parents who work with the children two or three times each month.

Any parent wishing further information on enrollment may call Mrs. Colleen Welch, membership chairman, at 984-7324, or Mrs. Sue Penrose, president, at 624-0649.

# Demos reverse stand, won't go to CDC anti-war convention

SAN BERNARDINO (CNA) Reversing a decision it had made earlier this month, the county Democratic Central Committee voted 10-7 Thursday night to rescind its previous action authorizing a delegation to the CDC "peace convention" Sept. 30.

Thus the Democrats on the party's governing body in the county who support President Johnson appear to be back in control after being out-voted in a series of maneuvers in the earlier meeting by opponents of the President's Viet Nam policies.

The volunteer California Democratic Council has called for a convention of its

members at Long Beach Sept. 30 for the purpose of forming a slate of delegates to oppose President Johnson in next June's primary election.

The central committee had voted at its regular meeting to send delegates to the convention. Four delegates were elected, although two of them indicated they would vote against forming a slate opposed to the President.

Some committee members resented this action and asked Chairman Phil Dreyer to call a special meeting to reconsider the action. Supporters of the president were more successful this time and succeeded in winning approval of a motion to re-

scind the previous action.

Voting in favor of the motion to rescind, and thus supporting the President, were Harold Ballin of Upland, Arlie Hubbard of Colton, Marshall Hansen of Bloomington, Robert Carvajal of Bloomington, Rex Duncan, Leonard Broderick, Carl Carlson, Dreyer and William Hubbard of San Bernardino and John Quimby of Rialto.

Opposing the motion were Bob Minick of San Bernardino, Ralph Carter of Rialto, Walter B. Townsend of Grand Terrace, George Ashton and Miss Trudy Hagun of Redlands, Paul Kleibrink of Rialto and Ray Conatser of San Bernardino.

**VW CHANGES (a little)** -- Almost all-new is Volkswagen's 1968 box-like station wagon. Its seven to nine passenger body features one-piece wraparound windshield, enlarged "picture-windows" at sides and rear, large sliding side door and rounded corners giving a new look to the VW vehicle that started a world wide trend in the auto industry. Interior features include safety padded dashboard, added foot and legroom in front compartment, and a ventilating system that channels air from front to rear flowing through ducts inside the armrests which run the full length of the front doors. Air cooled engine output has been increased from 53 to 57 horsepower. All VW vehicles are on display at Woolverton Volkswagen, 416 N. Mountain, Ontario.

# One more income tax form saddles some

Some 363,218 California taxpayers will receive statements indicating the amount of 1967 personal income tax prepayment required on the basis of their 1966 income, Martin Huff, Executive Officer of the Franchise Tax Board, said recently. The time constraint imposed by passage of S.B. 556 will necessitate a subsequent mailing to a small supplemental group.

Notices are in the mail, Huff said, and are being sent to all California taxpayers who had a 1966 State income tax liability of \$200 or more. The prepayment, due under the terms of Senate Bill 556 which was adopted by the State Legislature this year,

must be paid prior to October 31, 1967.

Personal income tax prepayment is a means of bringing cash into the State's General Fund at a time when it is normally low, Huff said.

All resident individuals who had 1966 tax liability of \$200 or more (\$100 for married individuals filing separate returns) must file the estimate and pay 50 percent of their 1966 tax as a prepayment for 1967. Taxpayers whose income for 1967 will not be as large as the 1966 income must still file an estimate if they fall within the requirements, but they need not make a prepayment unless the tax computed at the 1966 rates would be \$200 or

more, Huff said. Taxpayers who are required to make the prepayment will take a credit for the amount paid when they file their 1967 State income tax returns next April 15. The statements being mailed to taxpayers will show the taxpayer's 1966 tax and the amount of prepayment due by Oct. 31, 1967.

Taxpayers who paid \$200 or more in State income taxes last year and who do not receive a statement in the mail should contact the nearest office of the Franchise Tax Board to pick up the necessary forms. The San Bernardino office is located at 303 W. Third St., Room 72, telephone 888-9201.

## Highway users tax remitted

State Controller Houston I. Flornoy announced the distribution of \$51,114,727 among the State, cities and counties as the July apportionment of highway users taxes.

San Bernardino County's share was \$332,568.69. A total of \$10,482,016 went directly to the counties, \$6,708,490 to the State Highway Fund for Counties and Cities; \$4,677,591 to the State Highway Fund for Cities; and \$29,246,630 for expenditure on state highways.

The total was derived from the following sources: gasoline tax, \$45,153,298; diesel fuel tax, \$3,512,603; by transfer from the Motor Vehicle Transportation Tax Fund, \$1,218,840; and the balance from miscellaneous sources.

## Chaffey College Participates in Loan Program

Chaffey College will be among the six universities and colleges in San Bernardino County to participate in the National Defense Student Loan program. According to Congressman Jerry Pettis, the Health, Education and Welfare allocation for the County totals \$146,970 and will provide educational assistance for an estimated 400 students. Chaffey College will be receiving \$11,835 for the program. Pettis said that these Federal monies will provide 90 per cent of the participating colleges and universities' National Defense Loan Funds. The institution, itself, will provide 10 per cent institutional matching monies.

## States Picnic committee to hold meetings

The monthly meeting of the All States Picnic and Parade Inc., will be held each Fourth Tues. of the month, at the All States Clubhouse at 7:30 p.m., 310 East D Street in Ontario. An outline of the coming year's activities and projects will be outlined by club president, Mrs. Dewey Cable. An invitation is extended to all persons interested in becoming members. The public is also invited to submit theme titles for the '68 parade. These can be mailed to the clubhouse. A pair of tickets to the Carousel for floats and other vehicles for the '68 parade are now being accepted. Following the meetings, refreshments will be served.

**CERTIFICATE OF MERIT** -- James Thomas, who served as a carrier boy at the Upland News for more than a year with no service errors, received a Certificate of Merit from the California Newspaper Boy Foundation. Each member newspaper of the Foundation was invited to enter a boy with outstanding ability, high scholastic achievement, excellent character, and one who was an outstanding new carrier and a credit to the community in which he lived. Don Carlson, circulation manager for the Upland News, decided Jim had these qualifications and entered him. Although Jim didn't win, he received an honorable mention, which is in itself quite an achievement. This honor attends Pioneer Junior High in Upland and was recommended by his principal, Mr. Shelby Forrest, and his church. Jim's schedule is now too filled to allow him to continue as a carrier, but he says if he can find the time, he'll be back.

## Chill wind blowing over Orange Show

Should the State subsidize a non-profit citrus fair?

An Assembly Interim Committee on Government Operations held a hearing in San Bernardino Thursday, and it would appear that the answer to the question, as far as the seven Assemblymen present are concerned will be a chilling wind, perhaps a flat "no."

Long Beach Assemblyman Mike Cullen may have summed up the whole viewpoint at the end of the hearing with "I don't see why the State should subsidize display of a 'soft' industry like citrus when there's no subsidy for displays of 'hard' industry like auto shows."

The National Orange Show for decades has received \$150,000 from the State, but under Governor Reagan's 10% economy move, only

\$135,000 this year.

Most "county fairs" are operated by governmental agencies, but the Orange Show is not. It owns its own grounds, keeps its own books, hires its own auditors.

Chairman of the Orange Show currently is Judge James Cunningham, who told the seven members of the committee that the show could go on without the subsidy, but not as well.

Democratic Assemblyman John Quimby of Rialto has backed Committee Chairman Harvey Johnson's attempts to have all subsidized fairs submit budget for the Legislature's consideration.

## PFF man retires

Howard C. Blaney, has retired from work after seven years with Pomona First Federal Savings and Loan Association as an administrative assistant and assistant secretary to the association.

Born in Chebanse, Illinois, Blaney has lived in the Pomona Valley since 1924. He is a past master of Compass Lodge, 590, F & AM; and Past President of the Orange Belt Association Order of Eastern Star, and has been active in many other local organizations.

At Pomona First Federal Savings he had charge of construction and loan interest calculations and card auditing.

Blaney said retiring will enable him and his wife, Hazel, to do more traveling, and to spend more time with their children and grandchildren. As for Blaney himself, he said he expects to spend a lot of time with his woodworking tools.

## SB County important to defense

Congressman Jerry Pettis, 33rd District, California today announced that San Bernardino County is becoming increasingly important in research and development for national security and defense.

The Los Padres Mine, located near Yucca Valley, is one of three stations in a seismic network operated by the Lawrence Radiation Laboratory, University of California at Livermore. The other two stations in the network are located in Kanab, Utah and Mina, Nevada.

Each of these stations houses a recorder which is used to test seismic reaction from underground blasts in Nevada and to transfer the collected data to Livermore and Los Alamos. The recorders also collect data on natural phenomena which offer the government other important scientific information of a seismic nature.

This combined mileage, 1,125 miles are in San Bernardino County, including 125 miles yet to be constructed.

Western Riverside County accounts for 285 existing route-miles, plus 17.8 miles of planned highways. Overall state highway mileage for Riverside County, inclusive of the eastern portion which is outside the District boundary, totals 616 miles presently in the Freeway and Expressway System.

Interstate mileage (highways included in the National System of Interstate and Defense Highways) totals 435 miles in District 8, of which approximately 67% has been improved to full freeway, or is presently under construction.

There are 35 miles of freeway and an additional 16 miles of other state highways presently under construction in the District. State highway contracts presently in force are valued at more than \$43 million.

**UNTRADITIONAL**—Rather than the traditional black "bad luck" Halloween cat normally seen at an October Cat Show, you will have the opportunity to see the Silver Blue, Good Luck Korat, owned by Mmes. Lewis and Fowler, at Citrus Cat Clubs October 7 & 8 C.F.A. Championship Cat Show, to be held at the Commercial Building, National Orange Show Grounds, San Bernardino. Judging begins at 10:00 A.M. with approximately 200 cats to be judged. The Korat, originally imported from Thailand, and very rare even in its land of origin, is believed to bring good luck to its owner. Other breeds to be seen are Persians, Burmese, Siamese, Albino Siamese, Rex, Manx, Abyssinians, and others.

## Workshop meet Garrick lists cast of coming comedy

More than 200 students from San Bernardino and Riverside Counties are expected to attend the Yearbook Workshop on Saturday, Sept. 30, at Chaffey College in Alta Loma.

High school and junior high staffs will meet with top advisers and authorities in the publications program co-sponsored by the Inland Journalism Education Association, San Bernardino County Schools Office, and Chaffey College.

Mrs. Roberta Mace of San Luis Obispo High and Charles Dolan vice president of Taylor Yearbook Co., of Dallas, Texas, headline the all-day program. Mrs. Mace will discuss trends in yearbooks and conduct a seminar with new advisers while Dolan will explain the why of the yearbook and confer with junior high editors.

## Panhellenic group meets in Ontario

The first meeting of the 1967-68 year for Chaffey College Panhellenic will be held Thursday, Oct. 5 at the home of Mrs. Keith Eldridge, 220 Armistead Square, Ontario.

The gathering will commence at 7:30 p.m. with a business meeting conducted by the organization's new president, Mrs. Charles Rupert of Upland.

Hostesses for the dessert-bridge which will follow are: Mrs. Logan Locke, chairman and the Msdmes.; Jane Crawford, Clyde Duncan Clifton Johnson, Frank Larsen, Boyd Laub and W. M. St. Clair.

Any woman who is a member of a fraternity belonging to National Panhellenic and interested in the local group may contact Mrs. Rupert at YU 5-3238.

## County okays welding shop

SAN BERNARDINO (CNA) County Planning Commission acted with speed Thursday in approving Ralph G. Ayala's site approval application for a welding shop on north side of Arrow Highway, west of Central, west of Upland, north of Montclair.

Ayala said he would employ five people and construct a large building to house the welding business and offices. He does work for surrounding industries and cities, he said.

## Importance of highways noted in special week

from the Division of Highways

The observance of National Highway Week this year again symbolizes the continuing effort to provide well - designed, safe highways. The week of Sept. 24-30 has been set aside to draw attention to vast network of public highways and the vital role they play in our lives.

As Governor Ronald Reagan notes: "One of the most important factors in our economic well - being is our highway system." California's motorists drive more than 95 million miles each year in this most populous state in the Union, a figure which will more than double by 1980.

But relief of congestion is only one of the benefits derived from continuing highway improvement. Studies show that fatalities decrease as better highways develop.

There can be few more worthy objectives than this-- that Better Highways Now Save Lives, Time and Money--the theme of this year's observance.

In this area, the District Engineer for the California

Division of Highways is Clyde V. Kane, responsible for state highways in San Bernardino and western Riverside Counties, who notes with pride the contribution of his organization to transportation. "But it is the work of many people," he says. "Highway improvement must continue to serve the known requirements of the future."

The following summarizes District 8 accomplishments during the recent past, and proposed highway improvements in the immediate future.

During the past 12-month period, 32 miles of new multi-lane highway were added to the State Highway System in District 8. An additional 40 miles of existing highway, including 35 miles of freeway, were widened or improved to higher construction and safety standards.

At present, there are 1,410 traversable miles of state highways in the District 8 area, with an additional 143 miles of unconstructed routings planned by 1980. Of

## Pettis scores welfare 'wait-in' in Senate

Congressman Jerry Pettis, California, 33rd District, said that "America's social and moral fiber is evidently coming apart at the seams."

Responding to questions as to his reaction to yesterday's "wait-in" in the Senate by irate mothers protesting remedial welfare measures recommended by the House of Representatives, Pettis said that the Nation faces an "unprecedented crisis."

"When organized groups of welfare recipients spend the money to come to Washington to protest constructive proposals to get them out of the welfare system, I say we are in serious trouble," declared the California Congressman.

"The House," continued Pettis, "has acted to break the 'cradle-to-grave' dependency of millions of people. Under its recommendations, states would be required to provide job training for welfare parents and children over 16 not in school. Day care services for working mothers would be established and efforts to reduce illegitimacy and to establish paternity support for dependent children would be increased. States would freeze the number of illegitimate children on welfare."

"It is unbelievable," said Pettis, "that organized groups would threaten to 'burn down our cities' if this kind of remedial action is taken."

"Equally irresponsible," declared Pettis, "are the cries of national leaders opposing plans to provide job training and jobs for youths over 16 who have dropped out of school."

Pettis said that the House voted 414 to 3 for measures designed to put a lid on the Nation's runaway welfare programs. "I sincerely hope that the Senate will not undo this good work," he concluded.

## SB Freeway gets funds

California Highway Commission has allocated \$6,100,000 for widening the San Bernardino Freeway (Interstate 10) in eastern Los Angeles County.

The project will widen this facility from six to eight lanes from a half mile west of Ganesha Blvd. in Pomona and the San Bernardino County line, 5.2 miles easterly.

It will include widening the interchanges at Garey, Orange Grove, San Antonio and Indian Hill.

## Symphony Association wine-pop concert nite at Uplander Motel

Music with a sparkle like champagne will be played at the Autumn Festival to be presented by the West End Symphony Orchestra Association at the Uplander Motel Upland on Saturday evening, Oct. 7.

The festival will feature an outdoor wine-tasting party and pops concert, the musical program has announced by Robert Cole, conductor of the West End Symphony Orchestra is as follows: during a 30-minute program which begins at 7:15

p.m. the orchestra will play "Hello Dolly" from the musical by Jerry Herman; selections from the music written by Richard Rodgers for the NBC-TV production, "Victory At Sea"; the song, "More" from the motion picture, "Mondo Cane"; the selection, "The Impossible Dream" from the play "Man from La Mancha"; and selections from "The Sound of Music" by Richard Rodgers.

Serving of northern California wines provided by the Stuft Shirt Restaurant will

begin around the Uplander Motel pool at 6 p.m. and continue until 8:30 p.m. excepting during the concert. Crackers and cheese also will be served.

Mrs. Wiley Clayton of Upland heads the committee which is arranging this portion of the festival.

Proceeds of the evening will help finance the orchestra during its 1967-68 season. Tickets may be ordered from Mrs. Clayton at 985-3177 or from Mrs. W.E. Silverthorne of Upland at 982-8668.

## Casa Alegre Auxiliary plan hacienda party to benefit children

Casa Alegre Auxiliary of Children's Home Society began its third year in the Upland-Ontario area with a regular meeting Wednesday, Sept. 13 at the home of Mrs. David Schobe 530 Grant St., Upland.

Guest speaker was Mr. John Landis, Children's Home Society director of Riverside and San Bernardino Counties.

Landis spoke on the important part an auxiliary plays in the work done by Children's Home Society of California. Twenty one percent of Children's Home Society's operating income is provided by fund raising projects of the auxiliaries. Expert professional staffs

carry on the three fold program of Children's Home Society: to help the natural parents plan for their child's future, to place babies and other children for whom adoption is the best way to a normal happy life, and to help couples who want to complete their families by adoption.

Persons interested in the services of Children's Home Society may contact the district office at 3662 14th St., Riverside, 686-7603.

Plans for the Hacienda Party, Casa Alegre's annual fall benefit, were announced at the meeting by co-chairmen Mrs. Harry Thompson and Mrs. Raymond Matlock.

The early California party for active and supporting members and husbands as well as invited guests will be held at the home of Dr. and Mrs. Alan Bond on Saturday, October 7. Prizes will be given for costumes best depicting Spanish or Western characters.

Exciting games of chance will be featured. The grand prize of the evening has been donated by the Hacienda Hotel in Las Vegas: a "Hacienda Holiday" including a deluxe suite for three days and two nights in their luxurious hotel.

A midnight buffet will climax the evening. Committee chairmen for the Hacienda Party are: invitations and responses, Mrs. Howard Jones; decorations, Mrs. Allyn Scheu; games and rules, Mrs. James Story; prizes, Mrs. Royer Fudge; beverages and hors d'oeuvres, Mrs. Leland Scheu; buffet, Mrs. Robert Ingels; house, Mrs. Walter Groeber; costume judges, Mrs. Ted Lyman.

All profits of this fall fund raising event will be given to Children's Home Society of California for the purpose of finding loving parents and permanent homes for homeless and abandoned children.

## Church Women hold board meeting

The Executive Board of Church Women United of Ontario Communities met on Friday, Sept. 22 at the home of Mrs. Don Schmidt in Alta Loma.

Following devotions led by Mrs. Norris Hanna, the business meeting was conducted by President, Mrs. Clyde Bingham.

Primary on the agenda was a discussion of the next board of manager's meeting to be held on Oct. 6th at the First Presbyterian Church in Upland. The meeting will begin

with a Coffee fellowship at 9:30 a.m. with business following at 10.

Final plans will be discussed for World Community Day on November 3rd. All churches are asked to have their Key Woman attend and visitors are welcome.

Attending the meeting other than those previously named were the Mesdames Ona Welch, Alfred Voak, Harold Mc Cright, Robert Wheatley, Robert Hunter, L. J. Horsch, Harvey Shirk, Milo Thomas, John Casanova, and John Coldsnow.

## Measles vaccine offered

Kids can mix the fun of the world's largest county fair with precaution against one of the most dangerous childhood diseases by taking advantage of free measles immunization being offered at the Los Angeles County Fair at Pomona now through Oct. 1.

The measles pavilion, sponsored by Los Angeles County Health Department is located at the entrance of Kiddieland Number Two near Storybook Farm. Immunization is given by hypodermic injector instead of the old

fashioned needle. Children must be accompanied by their parents to receive the free immunization.

## CLAIMS ADJUSTING OFFERS MEN AN OPPORTUNITY FOR AN ACTION PACKED CAREER

Join the ranks of professional accident investigators and claims adjusters. Men are needed everywhere. Many positions are available, due to the tremendous increase of auto accidents, fires, robberies, windstorms, riots and industrial mishaps.

22 million insurance claims had to be investigated last year and almost twenty-billion dollars paid by claims men.

In this exciting, top-paying work, there is no threat of automation and no lay-offs. Maturity is an asset and lack of formal education does not close the door as it does in many other fields.

## Rev. Schurr to discuss Russia

The Rev. Willard A. Schurr pastor of the First Methodist Church of Upland will be the guest speaker at a dinner sponsored by the youth of the church, Saturday, Sept. 30 at 6:30 p.m., in Fellowship Hall.

The Rev. Schurr will show Kodachromes and give his impressions of a 3,000 mile trip through Russia. His talk is entitled, "Youth and Russia."

Pastor Schurr spent three weeks in Russia last summer with the Citizens Exchange Corps. Flying from Moscow to Kazan he and approximately 88 other Americans joined the Russian Cruise Ship "Yuri D'goriki," for a week's cruise down the Volga River stopping at Ulanovsk, where Lenin spent his youth.

He also visited a state farm, at Ziguil and a large hydro electric plant at Togliatti. He saw Stalingrad, a city totally destroyed by the Nazis and since rebuilt, and then crossed via the Don canal to Rostov.

The pastor had several in-

terviews with a professor of economics and another professor of foreign affairs. He also had interviews with the vice mayor of Yalta, head of a large sanitarium in the Crimea, a group of lawyers in Kiev, head of a collective farm, priests, pastors and school teachers as well as university and high school students.

Tickets will be available at the door, 261 E. First Ave., Upland.

## Orange show seeks theme

The National Orange Show is looking for a short, catchy and appropriate theme for the 1968 golden citrus exposition scheduled for March 7-17 in San Bernardino.

One hundred dollars in cash, plus a season ticket to the exposition, will go to the person who, in opinion of judges, submits the best two, three or four word phrase to set the tone and pattern of the coming 53rd annual edition of the National Orange Show.

Winner could possibly be one of the highest paid authors in the nation. A two-word winning theme would

bring a \$50-a-word award. Some winning themes in past years have been "Citrus Magic," "Accent on Citrus" and "Citrus Capers."

It's easy to enter. Just think up a catchy slogan describing the citrus exposition, then write it on a standard size four-cent postcard available at any post office and mail it to: Theme Contest, National Orange Show, 689 South "E" St., San Bernardino, Calif. 92408. All postcard entries must also include the name, address and telephone number of the person submitting the entry.

Only one entry may be made on a postcard, but number of individual entries is not limited. Letters and other forms of correspondence will not be considered. In case of duplicate winning slogans, earliest postmarked card will be declared winner.

Entry deadline is midnight Oct. 31, and all entries must be postmarked on or before this date.

The contest is open to everyone except National Orange Show employees or persons directly connected with the exposition.

All non-winners who join in the fun by submitting entries will receive a single admission ticket to the 1968 National Orange Show as a consolation prize, according to Manager Bob McClure.

Orange Show President Lloyd Yount said the theme selected will be used in publicity, promotion and advertising to draw public attention to the show. The big, elaborate citrus feature exhibits will also follow the chosen theme.

Classified have a lot of punch for little expense.

## Company Negotiates For Local Property

SAN BERNARDINO (CNA) --A major aluminum company is negotiating a lease on Cucamonga property, and their operation will employ an initial 250 persons, the County Planning Commission was told Thursday.

Leon F. and Anthony Lucas received a zone change from agriculture to manufacturing, with transitional standards applying to their property on the southwest corner of Hellman Avenue and Arrow.

Anthony Lucas, appearing

at the public hearing, said he could not disclose the prospective manufacturer's name, though it is a firm which has been negotiating for a site at LaVerne.

Condition in granting zone change is that developers submit their building plans and land use projections to Neil B. Pfulb, director of planning, for approval. Restricted in transitional standards is the prohibition against industry on the site creating smoke, dust, noise and vibration.

## Pettis 'Freeze' federal payroll?

Now that the House Post Office and Civil Service Committee has recommended across-the-board pay increases for Federal employees, we might as well sit down and figure out what it will do to the American economy.

Rumors have it that the President will soon issue an executive order freezing the number of Federal employees, we might as well sit down and figure out what it will do to the American economy.

Rumors have it that the President will soon issue an executive order freezing the number of Federal employees. This may be necessary to get the 10% tax surcharge through Congress. We may well ask, "Will this new raise lead to a cut in the Federal payroll?"

In view of what has been happening to this payroll during the last two years, the question seems silly. Let's take a look at the record. On Dec. 1, 1965 President Johnson approved a plan to not only put a lid on the number of Federal employees, but to reduce the total by 25,000. This was to have been achieved by June 30, 1966. Instead of the promised cut, the Administration actually added 190,325 civilian employees in the next seven months.

Six weeks before the 1966 election the President ordered another freeze. This time, the payroll was to be rolled back to the July 1, 1966, level. What happened? Hiring continued, adding another 131,871 in the next eight months. That makes an increase of 322,196 in 18 months. These extra non-defense employees cost the taxpayers of this country an additional \$2 billion a year.

Incidentally, I am not including an estimated 70 to 100 thousand new hirings since the last official count, nor the 60 thousand additional employees required to spend 1968 fiscal money bills now pending in Congress.

One can hardly attribute these increases to the war in Vietnam since most of the increases are in agencies involved in Great Society programs. Neither can you attribute the increases to our population explosion. Since 1960, the population has grown by about 10%. During these years the civilian Federal bureaucracy has grown 25%. The cost of Federal payrolls has expanded 75%. Non-defense expenditures have risen 97% while defense spending has increased only 68%.

If the President were really interested in a balanced budget, he would turn the lights back on in the White House and take a careful look at his spending record and then make some long overdue cuts. We'd all feel better about the recommended pay raise.

U. S. oilmen set an all-time record in 1966 by drilling nearly 440 "deep" oil and gas wells. Oil Facts says that a well must go down 15,000 or more feet to qualify as "deep." More than 3,000 such wells have been recorded in the U. S. since the first one in 1938.

# A&P has nationally famous brands no one else has!

Your A&P has all the brand names you know and want... Del Monte, Campbell, Nabisco, Heinz, Kraft... just to name a few.

But your A&P has more brands like A&P, Ann Page, Jane Parker... just to name a few.

These exclusive A&P Brands have earned their nationally famous reputation. How?

By virtue of quality.

Quality so outstanding, we guarantee without condition, that they are the equal of or better than any brand you know.

If assured quality isn't enough,

and if you're concerned about your food costs, think of this:

A&P's own nationally famous brands offer you assured savings... meaningful savings.

Not every store can offer you this.

A&P can... and does.

Shouldn't A&P be your store?
